

## **Thank you!**

Thank you so much for a great year. With your help WGAS Motorsport Entertainment, LLC set new attendance records for both live spectators and electronic exposure.

## **“WE TOUCHED MILLIONS!”**

We produced more shows throughout the West plus we had several Network Television shows. These programs were filmed during and around our events. These programs included the National Geographic Network’s –“The Universe” –“Size Matters”; two programs on the Speed Network for “Stunt Busters”; the HD Network with “Deadline” and the Discovery Network. We also had cameo appearances in several other programs including: “Build –Destroy-Build”, “Kids Choice Awards” and many local news networks, newspapers and magazines throughout the West.

The WGAS Team is proud of our 2011 year of success and again we thank **you** for being on our Team.

Sincerely, John Borba, CEO  
WGAS Motorsport Entertainment, LLC
